

Investments: Concepts and Applications, 2011, Tim Brailsford, Richard Heaney, Chris Bilson, 0170188248, 9780170188241, Cengage Learning Australia, 2011

Investments: Concepts & Applications explores the complexities of modern financial markets in combination with an historical analysis of investment theory. The text maintains a strong emphasis on the techniques and applications of investment management set within a regional context. This fourth edition continues to link theory and research with the real-world financial markets, including an in-depth analysis of the Global Financial Crisis and expanded coverage on alternative investments.
