

The Quarrel Between Philosophy and Poetry: Studies in Ancient Thought, 1993, 223 pages, Stanley Rosen, 0415907454, 9780415907453, Routledge, 1993

Now available in paperback, The Quarrel Between Philosophy and Poetry focuses on the theoretical and practical suppositions of the long-standing conflict between philosophy and poetry. Stanley Rosen--one of the leading Plato scholars of our day--examines philosophical activity, questioning whether technical philosophy is a species of poetry, a political program, an interpretation of human existence according to the ideas of 19th and 20th-century thinkers, or a contemplation of beings and Being.
